## AFTER SCHOOL ENRICHMENT EMERGENCY RELEASE FORM 2011-2012 School Year

Dear Parents:

In the event of an emergency at the school, all classrooms would be evacuated to their designated area. Each after school enrichment teacher will possess these individual emergency release forms for all the students enrolled in the class. It is necessary that every student have this form completed. Students will only be released to the people on the form and identification will be required to sign out a child. Information on the form will be kept confidential. This release form is separate from the forms that are kept in the office. Please fill out a separate form for each child and for each after school enrichment class your child is enrolled in and return them to school.

Children will be released to only those adults listed on this form.

Thank you for your cooperation and support!
